

People Connect Carepath

Dedicated support to
treat physical and mental
health challenges

When life's challenges arise, you and your family need end-to-end support.

People Connect provides mental health support, while Carepath provides hands-on support for a wide variety of medical conditions. A Carepath nurse navigator acts as a single point of contact which ensures continuity of care.

Core elements of People Connect include:

(Powered by Inkblot)

Mental health support

- Online mental health knowledge forum and library plus comprehensive self-assessment tool.
- One free hour of mental health counselling through video chat, with access to preferred pricing to continue with the same therapist.
- Intelligent therapist matching with complimentary non-clinical matching consultation.

Core elements of Carepath include:

(Powered by Bayshore)

Health navigation

A suite of support services including treatment review, health coaching and education, health care navigation services, and more.

Second opinion services

An expert review by a specialist to ensure that your recommended treatment plan is consistent with best clinical practice guidelines.

Cancer assistance

Specialized support provided by oncology nurses to help ease the physical and emotional impact of cancer.

People Connect Carepath provides assistance with:

- Accessing appropriate medical resources
- Mental health resources, self-assessment, and access to affordable virtual therapy.
- Facilitating access to appropriate medical resources, tests, treatments and clinical trials.
- Organizing doctor-to-doctor consults with treating physicians.
- Coordinating specialist referrals with family doctors.
- Engaging with therapist and psychiatrist for a collaborative approach.
- Accessing physiotherapy, occupational therapy, speech language pathology, dietitian services, pain, and palliative care programs.
