

People Connect

Business Assistance Program **BAP**

Legal, financial, and people support for business owners and people managers.

When challenges arise, get end-to-end support to help your business get through.

The People Connect Business Assistance Program (BAP) provides guidance and support for business owners.

Support for business owners

Unlimited 30-minute telephonic consultations.

- **Legal advisory** – connecting you with highly qualified attorneys who can consult on common corporate law, labour employment law, real estate, and family law questions.
- **People support** – telephone consultations for a wide range of human resource challenges including performance management, absenteeism, conflict, difficult behaviour, and return-to-work strategies.
- **Financial support** – access to guidance and recommendations to solve unique business challenges, make informed decisions, understand tax implications, and better manage finances.

Access to People Connect Carepath support for employees is also available at no extra cost.

Employees get access to health navigation support, second opinion services, cancer assistance, and mental health support. See [plan member infosheet](#) ↓ and [FAQ](#) ↓ for more information.
