

# People Connect Carepath **BAP**

Medical and health support  
for employees with added  
support for business owners

## When a crisis happens, your employees, their family, and your business need end-to-end support.

People Connect Carepath BAP provides employees with hands-on support for a variety of mental and physical conditions as well as guidance for business owners.

### Support for employees

- **Health navigation** – a suite of support services including treatment review, health coaching and education, health care navigation services, and more.
- **Second opinion services** – an expert review by a specialist to ensure that the recommended treatment plan is consistent with best clinical practice guidelines.
- **Cancer assistance** – specialized support provided by oncology nurses to help ease the physical and emotional impact of cancer.
- **Mental health support** – access to an online mental health assessment in addition to affordable counselling (*60 minutes of counselling provided at no cost*).

### Support for business owners

- **Legal advisory** – connecting you with highly qualified attorneys who can consult on common corporate law, labour employment law, real estate, and family law questions.
- **People support** – telephone consultations for a wide range of human resource challenges including performance management, absenteeism, conflict, difficult behaviour, and return-to-work strategies.
- **Financial support** – access to guidance and recommendations to solve unique business challenges, make informed decisions, understand tax implications, and better manage finances.
